Bremerton, WA 98310

Dear Mr. Snow:

We are in receipt of your letter dated June 30, 1971 concerning the replacement of certain improvements located on the harbor area fronting a portion of Government Lot 7, Section 11, Township 24 North, Range 1 East, W.M., and currently included in Harbor Area Lease No. 1974 acquired by you through assignment on March 11, 1971.

The harbor area exhibit submitted in connection with the above lease delineated thereon all improvements with reference to the boundary of State-owned harbor. Inasmuch as your request is merely for the purpose of replacing or modifying the structure shown on said exhibit, we would have no objection to the above request.

The sketch submitted with your letter is not adequate to revise the harbor area on file in this office. When available, we would appreciate having you forward a copy of your final construction plans in order that these changes can be noted on the exhibit.

Very truly yours,

BERT L. COLE
Commissioner of Public Lands
